

Meredith Carter **Candidacy Statement**

Why would you like to serve on the Board of Directors?

To provide financial expertise and appropriate oversight to agree upon budget and HOA disbursements.

Please list previous board position and/ or experience:

I have served in multiple board positions for Association of Women Executives between 2013-2019. Additionally, my background is a fit - I'm currently the head of finance for a \$1.5B division of a company with HQ in Denton, County. I oversee / lead all financial results analysis, scenario modeling, budgeting, long range planning, etc.

Issues regarding The Villas at Riverwalk Community you feel should be addressed in the coming year:

As a newer homeowner, I found the ACC process to be cumbersome and believe the Board of Directors can influence and/or improve the execution. The BOD can also continue to create a sense of community with neighborhood events and expand upon their efforts to date.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

No.
